Hearing aid repairs - any make, any model, any problem

Why choose the Hearing Air Repair Shop?

The Hearing Aid Repair Shop (HARS) is unique. Founded in 2002, we offer a fast and efficient repairs service of all makes and models of hearing aids.

Don't replace your hearing aids - repair them

If you have a problem with your hearing aid, we can help. We understand how important it is for you to receive your hearing aid back from repair quickly and working to its full potential.

We use original parts, unless they're discontinued due to the age of the hearing aid, and the turnaround time for most repairs is 2 - 3 working days.

Skilled technicians

Our technicians are trained to the highest standard and have many years of experience in repairing all brands of hearing aids including:

- Widex
- Phonak
- Starkey
- Oticon
- Unitron
- Siemens

Clear pricing

We offer a very clear pricing structure with no hidden extras. So if a repair is going to cost more than our standard charge we won't go ahead until you've given us the OK.

6 month warranty

Our standard repair comes with a 6 month warranty against component failure, excluding amplifiers and RIC units, to give you complete peace of mind. You can also send us your hearing aid for a free, no obligation quote. And if you decide not to go ahead with the repair, we'll return it to you at no extra cost.

Batteries and accessories

As well as repairs we offer a clean and check service. We also supply batteries, wax guards and accessories including; drying box kits, replacement drying pellets and hearing aid cleaning kits.
